

Fedhealth™ Fundraiser Kit

Thank you for your interest in Fedhealth's IT'S A DISASTER! book Fundraiser. This "traditional" fundraising program is designed primarily for K-12 schools and youth groups since it involves taking prepaid orders and delivering products.

(Scouts, schools, PTAs, PTOs and others can complement this fundraiser with our easy "referral" Program .. and our "Ad / Sponsorship Program" where groups keep 100% of the money! Visit www.itsadisaster.net to learn more or call 1-888-999-4325.)

The enclosed sheets were written with the Fundraising Coordinator in mind to explain this traditional fundraising program, but please don't hesitate to call Fedhealth with questions or suggestions.

"HOW TO GET STARTED"

- Print out or make copies of key pages. *(Tip: fill in blanks prior to making copies.)*
OVERVIEW SHEET/RECEIPT – if you choose to leave it with each Customer who orders
FUNDRAISER ORDER FORM – for each participant taking orders
- Determine what price your group wants to sell books for (cost to purchase books is **\$3.50** U.S. each + freight.) The latest version retails for \$14.99 U.S. on Amazon.com, Barnes, etc. ... and fundraising groups can sell books for ANY price (e.g. \$15, \$10, etc – whatever price you want to set) and keep everything over \$3.50 per book cost.
- Suggest kids take orders from family, friends and neighbors the family knows ... and they should NEVER sell door-to-door unsupervised for their own safety!
- Explain to kids that customer information is important so they know where to deliver books.
- Stress to everyone that all customers should prepay for books. We suggest you encourage payment by check or money order for safety reasons.
- Consider leaving a copy of **OVERVIEW SHEET/RECEIPT** so each customer has information regarding expected delivery date, your group's data, and check or money order # for their records.
- Gather up **ORDER FORMS** on your Deadline/Due Date, tally up totals and keep forms on file since delivery addresses are on them.

- Please call 1-888-999-4325 for freight estimate (see TERMS below) or if considering custom printing or if you'd like to review some custom label examples in PDF (also viewable online). (*see TOTAL ORDER FORM*)
- Complete **TOTAL ORDER FORM** and make a copy for your file. Enclose check, Money Order, Cashiers check or provide credit card information for full amount in U.S. \$.
- Mail **TOTAL ORDER FORM**, label data and payment to Fedhealth address on form.
- When your shipment arrives, please verify # of books and contact Fedhealth if any discrepancies or damage from shipping (*see TERMS*)
- If free custom labels were requested with order, they may arrive separately. Your group can decide where to place them on books (outside front or back covers, inside front, etc.)
- Enjoy the profits on every book sale and know you're doing something good for your community! Also, check out our other funding ideas and products online and please think of Fedhealth when choosing your next Fundraising project!
